

Nampa School District 131

HOME LANGUAGE SURVEY

The Office of Civil Rights and Idaho State Department of Education require school districts to determine the **dominant language spoken** by your student to help provide meaningful instructional programs.

Name of Student (print) _____

School _____ Last _____ First _____ Middle _____
 Birth Date _____ Grade _____

If born outside the United States, what year did your student enter U.S. schools? _____

Please check(x) the best description of language usage in the home. This form becomes a part of the Nampa School District's official documentation of language assessment. Thank you.

	English	Spanish	Other (Indicate)
1. First language learned by child			
2. Language used most often by adults in the home			
3. Language used most often by child in the home			
4. Language used most often by child with friends outside the home			
5. Preferred correspondence language for adults in the home			

Students with a language other than English spoken in the home, will be given a state mandated English Language Proficiency assessment.

- Check the box if your family has moved at some time in the past 3 years to look for work in:
- Agriculture (farming, orchards, dairy)
 - A Nursery (trees, flowers, gardening)
 - Fishing

Date: _____

Signature of Parent or Guardian: _____

Please return completed form to your child's school.
